M/Y FUNSEEKER

Luxury Comfortable Private Vip Vacation

WELCOME

Funseeker delivers an exceptional seakeeping performance with it's sleek well honed lines and it's spacious Flybridge.
You will enjoy generous seating and dining areas including flexible forward seating that converts into a sunbed.
It's power to thrill continues on the inside with a luxurious voluminous interior where an unparalleled experience and sense of space awaits you. Beautifully styled throughout, this yacht blends inviting comfort with cutting edge technology.
The spacious main deck features a well-equipped gallery with a generous seating area and dining space.
Below deck there are three luxurious ensuite cabins including a forward VIP suite, a full beam master suite and a twin cabin.
The yacht is a total length of 54 feet. It is a leader in it's class and continues to set the highest of standards.

SEA-DOO

SEA-DOO

Endless moments at sea, viewing the blue horizon at daytime and a sky full of stars at night.

In the early morning sipping your coffee, wearing your swimsuit, heading for a dive.

Only you and your fellows can discover the remote and mysterious bays of the most popular and lively Greek island!

THANK YOU.
